

It has come to our attention that your LPFM system would compromise our preference to listening to K-LOVE over FM translator service. This would be a great loss to our community and to us personally as K-LOVE is such an uplifting and FAMILY friendly,oriented,SAFE station for ALL to listen to. The loss would be unimaginable. Other local Christian stations have not been able to survive as independents due to the big money, often morally debased shows that often thrive in a larger city. We hope that you do not take our choices away from us.
